## FAMOC uninstall guide for Android based devices

In order to correctly remove FAMOC from an Android mobile device, please follow these steps<sup>1</sup>:

1. Open the settings icon in the main menu.

Figure 1 Main menu screen

2. In the **Security** settings find **Device admin apps** menu (category can be also named **Device administrators**).

Figure 2 Security settings

<sup>1</sup> NOTE: This method **will not work** if FAMOC is working in Device Owner mode. To remove FAMOC from a device working in Device Owner mode contact your administrator.

3. Choose **FAMOC Device Admin** from the device administrators list

Figure 3 Device administrators list

4. Next, choose **Deactivate**

Figure 4 Device administrator deactivation screen

5. A warning message about removing the administrator will be displayed, confirm by clicking **OK**.

Figure 5 Administrator deactivation warning message

6. After deactivation the FAMOC device administrator will prompt the user to activate it again. You can **Uninstall** FAMOC agent from this menu.
